**THE BARN FAMILY SHOE STORE HONORS RETIRING EMPLOYEE, ED VOYE,  
FOR HIS 33 YEARS OF LOYALTY, WITH DREAM VACATION.**

**WEST NEWTON, MA, May 21, 2008** – 2008 is a year of celebration for a number of reasons for The Barn Family Shoe Store, a Newton landmark retail destination. Not only is it the 60<sup>th</sup> Anniversary of the store founded by Russell Wennbergh, it is also the 33rd anniversary of Ed Voyer's employment at The Barn.

To reward Ed for his loyalty and the quality of service he provided that inspired equal loyalty in his customers, The Barn sent Ed and his wife, Diane, on a European Cruise.

They departed in April, from New York Harbor in the grand tradition of the European excursions. Their Atlantic crossing took 4 days that were filled with shipboard activities including swimming, shuffle board, casinos, live theatre, dancing, and, of course, the unlimited dining! Their destinations were Portugal, Spain, Italy, France and Monaco, and included stops in Ponta Delgada, The Azores, Lisbon, Cadiz, Corsica, Rome, Florence, and Nice. Ed and Diane saw all the sites these great cities are so known for – Baths, museums, castles, and the cathedrals. They also sampled each region's cuisine with relish!

Those customers who have been served so well by Ed over the years have not seen the last of him. While he has officially retired from his full-time schedule, he hasn't been able to stay away from The Barn, and will be seen on a part-time basis, still making sure you can find the perfect shoe or boot!

Please come in and join all of us at The Barn Family Shoe Store in thanking Ed for his 33 years of dedicated service and wishing him an enjoyable (semi-)retirement!

Thank you, Ed!
