**The Barn Family Shoe Store
Announces the Winner of the Drawing for Red Sox Tickets**

Newton, MA: Karen Stives, owner of The Barn Family Shoe Store, greeted Newton resident, Lea Matz, at The Barn to present her and her family with the tickets for 4 Field Box seats for a Red Sox home Game in Fenway Park!

Ms. Matz was drawn as the winner from thousands of entries in the special promotion available to all shoppers in The Barn and The Kids Barn during May and June. In accepting the tickets, Ms. Matz enthusiastically shared her history of shopping at The Barn – she has been shopping here for her family's footwear since moving to Newton in 2002.

"I was new in town, and suddenly we had the first snow of the season, and all of us were totally unprepared. I asked my neighbors where to buy boots for my family, and the unanimous response was – THE BARN! I've been coming here ever since."

"My family and I are big Red Sox fans and we are thrilled to be able to see a game up close. We are especially appreciative of Karen's generosity in sharing tickets to seat that have been in her family for over 50 years."
